istration. She enlisted in the Army Reserves in 2002 as a 68P (Radiology Technologist). Sgt. 1st Class Goldenstein deployed twice, once in support of Operation Iraqi Freedom in 2007 and then again in 2011 in support of Operation Enduring Freedom. She served as the Radiology Non-Commissioned Officer in Charge with the 325th

Combat Support Hospital in both deployments.

After her second deployment, Sgt. 1st Class Goldenstein stayed on active duty with the Warrior Transition Unit (WTU) at Fort Leonard Wood, Missouri where she received treatment for her hips and was first introduced to adaptive sports. She has continued cycling and it has become a large part of her life as well as part of the rehabilitation.

"I thoroughly love my job helping wounded, ill, and injured soldiers with their rehabilitation."
